

AA Liaison Report for March 2024 District Meeting

Hi Everyone:

I was able to speak with Rhonda from Lake Sumter Intergroup. She stated that her group has a monthly zoom meeting on the second Wednesday of each month, and they wanted Alanon contact information. I will attend that meeting, and provide that group with Alanon information.

I have reached out to Central Florida Intergroup, and Osceola County Intergroup and did not hear back from them.

I did get a request from Harbor House stating they would like to have an AA meeting on their premises. I am working on facilitating this. I will have an update on this next time we meet.
