## **EPISCOPAL DIOCESAN CONVENTION** January 27<sup>th</sup>, 2024

We are pleased to have hosted a vendor table at this convention where hundreds of pastors convened from multiple counties across central Florida. At least 600 were registered. We prepped 500 information bags with AFA magazines, current meeting lists for districts 6 and 10, the Fact Sheet for Professionals, Understanding Ourselves and Alcoholism, and the Alcoholics and the Judicial System pamphlet, the We found HOPE bookmark, as well as peppermint “LIFESAVERS”. In addition to passing out at least 225 vendor bags, we spoke to at least that many more people. A big THANKS goes out to ChuckD and RichR for manning the table with me.

## **YOUTH GROUP OPPORTUNITY** Sunday January 14<sup>th</sup>

Debbie was asked to speak with her local youth group of 10 middle and high school students. They were presented with Alateen pamphlets. They had many thoughtful questions and much meaningful conversation. Afterward they dove in to helping stuff vendor bags for the Jan 27<sup>th</sup> event.

## **UPCOMING EVENTS:**
