

## **District Representative report - for Saturday March 9, 2024 business meeting**

**District 10:** <https://al-anonorlando.org/index.html>

All,

I'm so excited to see you once again for our next business meeting. It has been a fantastic start to the year and new Panel 64 for us. So many things to share with you and I will try to keep it short and informative.

1. Chairpersons and Officers - please send your report to the entire CMA list (use BCC - blind carbon copy in email) by Sat March 2 so everyone will have time to read before attending the meeting on March 9. Let me know if you need assistance finding the list.
2. The March 9 agenda is attached - please review in advance and bring a copy.
3. We will vote on the Minutes and Treasurer reports - be sure you've read them prior to the meeting.
4. My Treasurer report will be sent as a separate message.
5. AWSC - Deborah J (DISL) and myself attended this Area 9 weekend and learned so much! We had the opportunity to meet the other DR's and DISL's in our 13 Districts and the Area 9 Panel officers and chairs.
6. At AWSC our District 10 was assigned a Red Light/Green Light question for May's Assembly. This question to be researched in CAL is being chaired by Debbie R. More details to be shared at the March meeting.
7. Area 9 Public Outreach is working with WSO on Al-Anon ads for local stations. Please ask your groups about any local tv and radio stations you listen to. Send these directly to Carmen S. the Area 9 Public Outreach Coordinator at [publicoutreach-64@afgarea9.org](mailto:publicoutreach-64@afgarea9.org)
8. We currently have 19 groups in District 10 and I look forward to seeing at least 1 person from each. If your group does not currently have a Group Representative (GR) it is always ok for anyone from the group to attend the business meetings. Be sure to confirm who is allowed to vote on behalf of the group prior to the meeting.
9. Please bring a "brown bag" item to be raffled and a snack to share on Sat March 9.
10. As DR I received the 2023 Group contribution report for District 10. These are donations everyone sent to Area 9. The report is attached to my email message. Please bring it to your group's treasurer so they are aware.

My vision for our Panel is to combine fun with fellowship as we each find serenity in our Al-Anon recovery program!
