District 10 North Florida Area

Alternate District Representative's Report by Karen R.

For January 10, 2026, Meeting

Thanks to everyone who assisted in making the District 10 December 13th workshop a success. Led by Mary W., Echoes in Reverse-Reflecting on the Welcome Backwards, Finding Ourselves Forward was well-attended with 30 people from multiple districts and both coasts. There was a 7th Tradition collection of \$77 and program expenses in the amount of \$27.97 were reimbursed to Mary for supplies.

Our D10 Public Outreach team showcased the new tabletop and other items. We also hosted a table for 2026 early Convention registration, and the sale of t-shirts and raffle tickets.

Information about a February workshop is not yet available. If you or your group are interested in presenting a workshop, please remember that they are on the even numbered months. Workshops are held at our usual district meeting place: First United Church of Christ, 4605 Curry Ford Rd., Orlando. Snacks and donations for 7th tradition are always welcome.

Updates to the District 10 Calendar for the next year will be made following the January D10 meeting and posted on the website, Please let me know if you have any updates or edits to the Calendar and I will make those adjustments.

As the Forum cheerleader I encourage you to read and use the Forum and share it with others. Many of us have submitted articles this past year, thanks to a workshop on that topic. You might just see an anonymous article from someone you may or may not know! Please share with those you sponsor, how the Forum is a great tool for their recovery toolkit.

Thank you for the opportunity to serve.
