#### Updates since the November 2025 Business Meeting

- New email for Claudia
- Removed Alateen Wings
- Contacted WSO for missing group registration dates
- Added Deanna as our AA Liaison and Susan as our PO-Public Information chair
- Last names and addresses have been added back to the CMA so our treasurer has the information they need to mail checks for reimbursements.
- If you'd like to retain the paper copy of your GR1 form for your group's records/archiving, please let me know! Since all of the GR1 form information is now available in our CMA, I will be shredding the paper forms since they contain sensitive information (names, addresses, phone numbers, emails).
- Marla and I will be connecting soon to update group records for the WSO.
