

MARCH 2026 - Webmaster Report -

Hello everyone from Virginia. 😊 Yes, I have officially moved.

Please accept my sincerest apologies for not getting updates completed as quickly as possible.

For edits completed -

Reports pages have been updated to have all reports added as of 03-13-26 and a new button labeled:

“From our acting treasurer” – this button has the Annual Birthday information from Marla’s email. Also, I added the Annual Birthday Flyer.

Also, added a link on our site that has a connecting link to the NEW Service Manual available from WSO on both our Literature and Reports page.

Uploaded flyers for June Jubilee and Great Escape workshops coming soon.

All for now – Beverly

District 10 Webmaster
