1. Lake Sumer Intergroup- I attended the January 14th Business Meeting. I was able to introduce myself and share my contact information. They do not have any events being planned with Alanon participation. The group raised concerns during this meeting that they are struggling with attendance at their Business Meetings and their events.
2. Osceola County Intergroup- I continue to stay in contact with Chris H. who is the alternate chair. They do not have any events planned currently.
3. Central Florida Intergroup- I spoke with Melanie via phone on 3/5/2026. She is the intergroup manager. She stated they are having their Long Timer event on June 6th at Redeemer Lutheran Church in Winter Park. She said they usually have Alanon participation at this event. She forwarded my contact information to Sue who is chairing the event. More information to come. They will also be having a service event in the fall, but they do not have a date or location yet.
4. The 68th AA Florida State Convention will be held August 6-9, 2026, at The Rosen Center Plaza Hotel in Orlando. Registration is open. Alanon and Alateen workshops are included.
