

OUTREACH REPORT FOR March 14th, 2026

*Jan 23rd and 24th 2026. Outreach Members were present for the Episcopal Diocesan Convention in Orlando. This is a very large event and we had prime tabling location! We didn't give away as much literature as in the past, but I believe that we had many more impactful conversations than in past years.

*April 2nd, 2026. Debbie will offer a brief education/tabling encounter for the West Orange Ministerial Association.

*April 11th, 2026 MADD 5k and MADD Dash/2026 Move with MADD Clermont Walk & 5K [Mark your calendar](#). Debbie is awaiting more information for registration. No response yet. It appears that registration is not yet open.

*Aspire Women's Residential. Debbie has reached out via email on several occasions. Currently no response.

*Based on the results of the most recent Al-Anon Membership Survey, the Outreach Chairs have decided to try focusing on reaching out to counselors to bring about more awareness of Al-Anon and how Al-Anon can be a powerful adjunct to professional counseling.

Debbie has reached out to Genesis House. Their Reply to Debbie **"All of our counselors are versed in Al-Anon and we actively use them in our recovery."**

The chairs are considering different approaches on how to best reach out to counselors. (Attraction, not promotion). More information to come as it develops.

*May 2nd, 2026 NAMI/Nami Walks. [Mark your calendar](#). Al-Anon has been gifted a table at this event.

LOOKING FURTHER AHEAD:

*August 4th is National Night Out. If your neighborhood watch community has a tabling event, would you like for Outreach to be present?

*August 6-9th, 68th state AA convention in Orlando. Currently, Al-Anon Outreach has not been tapped to assist. But, I'm keeping it on my schedule ... just in case.

KEEP ON USING THE BUSINESS CARDS!!!!

When I got Busy, I got Better.... There is Joy in Service ... Debbie R
