

Hola mi linda familia del Distrito 10!

Hope everything is going well with all of you.

I have to report that Grupo Serenidad closed its doors last January.

During February, Grupo Solo por Hoy was not opening because we did not have a backup chair. However, Grupo Solo por Hoy is resuming normal meetings every Tuesday at 7:30 pm. You are All welcome to visit! :)

As the Area Spanish Coordinator, I am holding a Zoom meeting every 2nd wednesday of every month via Zoom, to brainstorm ideas on how we can help Spanish groups to keep doors open, and/or to start new meetings in those areas where there are no Spanish meetings.

If anyone has any ideas, suggestions, or would like to be invited to speak to us and share her/his thoughts, please let me know. I would love to have you in the meeting as a guest. These meetings are held in Spanish, but I will happily translate for all of us, if needed.

I will see you this Saturday for sure. I am planning on being there at 8:30 am for setup and to be ready for sharing with you about Traditions 3 & 4.

See you soon, my beautiful D10 family,

Mariangeles.
