

OUTREACH REPORT FOR May 9th, 2026

***May 2nd, 2026 NAMI/Nami Walks.** I want to thank all of this year's volunteers for their participation in 2026 NAMI Walks. I was scheduled to be out of town, but that did not stop us from participating. I want to thank many people this year, in part, so that you'll be aware of the many different ways we work in relationship with each other. One person had the contact who gifted us this table. I prepped the literature give-away bags. (We are trying to have more Spanish only bags). Another AI-Anoner met me and retrieved all the Outreach supplies. On the day of the event, AI-Anoners arrived early to set up, manned the table, walked around and met with professionals, packed up, tore down and hauled off. I have only heard positive news from participants. Multiple NAMI participants who stopped at the AI-Anon table asked for additional information. Outreach was invited to participate in two future events both in the Orlando area. **Mark your calendar for May 30th and July 22nd.** More information to come. If you can participate in either of those. Please reach out to one of the Outreach Chairs. Truly ... "Together, we can make it!" (An official AI-Anon Slogan)

***Aspire Women's Residential.** I have been successful in making a new contact. We are now trying to coordinate the date and time. I'll let you know when I know.

JUNE 6th, Central Florida Intergroup, (AA) has invited us to participate in their Founders' Day Celebration. They have offered us an information table. This event is 11am to 1pm at Redeemer Lutheran Church in Winter Park. Let me know if you want to help out.

LOOKING FURTHER AHEAD:

***August 4th** is National Night Out. If your neighborhood watch community has a tabling event, would you like Outreach to be present?

KEEP ON USING THE BUSINESS CARDS!!!!

Unfortunately, I will miss the business meeting this month. Please contact me, or any of the Outreach Chairs if you have questions.

Finding Joy in Service,
