

Al-anon Family Groups

District 10 North Florida Area

Alternate District Representative's Report by Karen R.

For July 11, 2026 Meeting

What a great year in Al-Anon so far! Our June Jubilee celebration of 75 years of recovery through the program was a remarkable success. We had about 56 people in attendance experiencing fellowship and food, as well as an educational and entertaining skit by the Public Outreach Team. Stories were shared as well as pamphlets about our history and purpose. And don't forget the jewelry! Many thanks to the hands, minds, and hearts that brought this together.

Our next workshop will be on August 8th with the theme "Road Trip to Recovery." We will be re-imagining Bill and Lois' pre-AA motorcycle tour. We hope to see you for fellowship at 9:30 and workshop from 10:00 to 12:00 at 4605 Curry Ford Road.

If you or your group are interested in leading a workshop, please remember that they occur on the even numbered months. Workshops are at our usual district meeting place for now.

Please let me know if you have any updates or edits to the Calendar and I will make those adjustments.

Please keep The Forum alive at your meetings and encourage subscription. Some members have even held a separate "book study" on The Forum just for the growth it brings them.

In a few months, this service position will be ready for a fresh face. It is a wonderful way to serve so I how you will consider it.
