

DISTRICT 10
TRAVEL TEAM REPORT
July 18, 2026

I've attended, at least once, all of the scheduled meetings, except for the **Saturday's Hope AFG** meeting at the REBOS Clubhouse in St. Cloud. Between July 18 and the end of our panel, I'll try and attend all meetings again; it is a very special service, and I get more than I receive.

And now that I think about it, I may not have traveled to the Sunday Serenity meeting. I need to check on it. If I haven't attended it, I'll go to it and the Saturday's Hope meeting in late July or early August.

As always and as a repeat from my report at our last business meeting, I've benefitted greatly from attending different meetings. I can share that "When I Got Busy, I Got Better" is true. Attending meetings with different formats has made me see things in a different light and hearing the experience, strength and hope of over 150 people; 16 meetings per week and average 10 per meeting...just a wild guess, but it's a lot of experience, strength and hope no matter how many.

I'll resume the travel schedule maybe in August/ September and close out the year by attending all of the meetings once more time. I'll send out a new schedule by the end of July, once I look at my personal schedule. I don't want to double or triple-book myself...which I have done in the past.
