Updates since the May business meeting

- WSO Annual Update - Group CMA's should have received a letter in the mail to confirm group information.
- New Group is in the process of registering with District 10. Welcome Courage to Change AFG!!
- Added past delegate Evelyn to our CMA
- Updated GR/CMA email for Monday Miracles.
- News from WSO Archives!
 - Last year I contacted both the Area and WSO regarding registration dates for three of our meetings:
 - Changing Tides AFG
 - Monday Miracles
 - Peace Within
 - The Area indicated no registration details were available for these groups.
 - WSO shared that in 1996, Alanon relocated from New York City to Virginia Beach. During this move, many group and area records were offered back to the Areas. As a result, WSO archival holdings may not be complete.
 - The WSO was able to confirm all three groups existed in 1997-1998 but was unable to identify precise registration dates. Changing Tides was listed in the 1988 World Directory.
