

Raffle Report for July Business Meeting -

Please see attached report for Raffles as of June. June was our Gratitude event instead of a workshop so we had 50/50 and gift baskets. Thank you everyone that attended and participated in the fun. In keeping with our "we will laugh more" saying- we had an opportunity to share a few unopened hams so we "hammed it up" with the help of next year's convention Chair person (Nick R.) and raffled them too. I hope everyone had as much fun as I did in just Letting go and Letting God.

Reminder if you want to participate at the upcoming business meeting in the brown bag and the CAL raffles- please bring cash (ones and fives if possible) and a brown bag gift.

Tickets are \$10 for 15, \$5 for 6 tickets, and \$1 for 1 ticket.

I'm looking forward to seeing everyone Saturday. Thank you for being such a fun and active bunch. I appreciate you all.
