Happy "Summer" Al-Anon family! I hope you are all keeping cool!

Have you ever noticed how much Conference Approved Literature (CAL) is available to us? So much more than books are ready for you to read & share. You can check out the Online Bookstore on the WSO website located at [Al-Anon Family Groups](#). Be sure not to overlook all the AlAnon & AlaTeen pamphlets available; most cost less than \$1 and are a great way for your groups to study or share. There are also DVDs, bookmarks, and workbooks & most are available in English, Spanish, and French. Happy Reading!

****FREE DOWNLOAD AVAILABLE**:**

The **FREE** electronic version of the **2026-2029 Al-Anon/Alateen Service Manual** is available for download in English, French, and Spanish on www.al-anon.org

Select the "Online Bookstore" tab at the top of the homepage, then search "Service Manual" or "P-24/27". The most awesome thing about the electronic version is that it's so easy to do a word search for items you have questions about.

NOTE: We will have a few copies of the print version available for purchase at the July 11 meeting.

Exciting news from WSO: A new one-stop eBook publishing platform has been launched! This will enable WSO to eventually publish all titles across all major eBook platforms simultaneously. Eventually, the entire CAL library will be converted into electronic format. The most recent addition to this platform is *Intimacy in Alcoholic Relationships*, with more coming onboard in the future. Updates to this exciting platform will periodically be announced in *The Forum* and the *In The Loop* email newsletter. All eBooks will be available in English, Spanish, & French. Check out all the eBooks currently available here: https://ecommerce.al-anon.org/EN/Products/Digital_Products/EN/RiSE/Store/Product-Type.aspx?Type=DIGITAL
