

Public Outreach Report

District 10

July 9, 2026

We have had a busy and productive couple of months!

- May 2nd – NAMI in Altamonte Springs
- May 30th - the Impact Ride in Eatonville.
- June 6th - AA Founder's Day in Winter Park
- June 13th - Outreach Skit at Gratitude Luncheon for District 10

Our Public Outreach Team has been asked to perform the skit at Assembly in October and also perform in Ormond Beach for their district workshop day. We are trying to get our schedules together to see if we can attend both. We may ask our District 10 GRs to help at assembly.
