

75 years
of Al-Anon

Road Trip to Recovery - 100 years later

In the late 1920's, before the birth of AA or Al-Anon, Bill and Lois were "Two Motorcycle Hobos" finding their way through life with alcoholism.

*Join us as we reimagine that
trip in 2026, traveling
through the 12 Steps together.*

*Hosted by travelers Karen and Claudia.
Please bring treats to share, or help
out with set up at 9:00. Thanks!*
